DEVIL

DEVIL

Art. 3115.2DVL

DEVIL is the powerful heart of the central vacuum system.

Designed for homes up to 450 m², it operates with a Ø 50 mm pipe network and 220/240 V power supply, delivering consistent performance, long-term reliability and seamless integration into domestic spaces.

Air exhaust vented outside for a healthier environment free from micro-dust.

Compact, reliable and surprisingly powerful. Devil transforms every cleaning task into a simple, effective and uncompromising experience.
